PRP Annex 8 - Apr 18.docx

Looks good. I cleaned up everything and just replaced the reference to "Annex 10" with "Science Annex Subcommittee" near the end. If there are no more changes required is this good for the version to be submitted to the Secretariat?

Hi Dale, Ash, and Jamie,

Here is a start on the PRP report for Annex 8. Please let me know your thoughts about the document.

I hope everyone is doing fine.

Best regards.
